OUR PRESENT

Friendly and helpful staff

A community center

Growing technology resources

Year-round literacy classes
“The Library is an open door to wonder and achievement.”

Isaac Asimov, Writer and Professor
You have the ability to impact the future of our library. Easttown Library is a vital community resource providing essential services, books and materials in various formats, and learning opportunities for people of all ages. In order to remain relevant as the needs of our community evolve, the Easttown Library Foundation established the Endowment Fund in 2011 with a goal of $2 million.

Gifts to the Endowment Fund are primarily invested through the Chester County Community Foundation. Each year, up to 5% of the year-end value of the Endowment Fund may be used to support the annual operations, programs, and/or capital needs of the Easttown Library.

The library’s endowment will serve as a self-sustaining income source to ensure that our library can continue to meet the needs of our community now and into the future. With your help, the Endowment Fund will grow and generate income, giving our library long-term financial stability.
Donations to the Endowment Fund are separate from Annual Fund contributions. Both are equally vital in sustaining the library.

Annual Fund donations support the day-to-day operations of the library. These gifts go to work immediately to support or enhance current programs for all ages, staff salaries, additions to the library’s collections, upkeep of the facility, and so much more. By making a donation to both the Endowment and Annual Funds, you impact both the present and the future of the library.
How to Contribute to the Endowment Fund

- Make an outright gift of cash and/or securities to the Easttown Library Foundation Endowment Fund;
- Include an Endowment Fund gift as part of your estate plan and become a member of the Elsie Jardine Legacy Society. Common estate gifts include:
  - Gifting a percentage of your estate, a defined dollar amount, and/or an asset;
  - Designating, in whole or part, a retirement asset or the proceeds of a life insurance policy.

Please consult your legal and/or financial advisors to determine the type of gift that best meets your needs.
