

## Teen Summer 2017 Programing

PA FORWARD

PENNSYLVANIA  
LIBRARIES

### D.I.Y. Fidget Spinners

(Grades 6 and up) 2:00 p.m., Thurs, June 15

Design and construct your own custom fidget spinner, the craze that is sweeping the nation! **Registration required and begins Thursday, June 1st.**

### Locked in the Library

(Grades 6 and up) 5:45 p.m., Fri., June 23

Put on your best thinking caps to solve clues and unlock the mystery box before time runs out!! Pizza will be served for this after hour's program. All kids must be picked up at 8 pm. **Registration required and begins Thursday, June 1st.**

### Lego Stop-Motion Class

(Grades 6 and up) 3:00p.m.-5:00 p.m., Thurs, July 20 & 27

Come learn the basics of animation with teacher Kebiru Sketch. **This is a two week class, and you MUST be able to attend both classes.** Working in teams, create an animation in Lego Movie marker. Bring your imagination!

**Registration required and begins Saturday, July 1st.**

### S.T.E.M. Kit Demo

(Grades 6 and up) 2:00 p.m., Tues, June 20<sup>th</sup>, July 11<sup>th</sup> & August 8<sup>th</sup>

Sign up to try out some of our new S.T.E.M. Kits.

**littleBits** are electronic building blocks that are color-coded, magnetic and reusable-great for creating inventions large and small.

**Cubelets** are robotic blocks that snap together with magnetic faces. Every unique arrangement creates a new robot with different behaviors.

**Registration is required and begins June 1st, July 1st & August 1st.**

### Team Trivia Night

(Grades 6 and up) 7:00 p.m., Thurs, July 27

Team Trivia Night will test your knowledge and give you a chance to compete against your friends. Categories will range from pop trivia to literature, and everything in-between. Prizes will be awarded to winning team. Bring a team of 3 or 4 people or make one here.

**Registration required and begins Saturday, July 1st.**
